

PACKING INSTRUCTIONS
STEP-by-STEP

What do you need?

- Printed return label (to the right of these instructions)
 - The item(s) you wish to return
 - The original packaging (or a suitable alternative)
1. Place the item(s) you'd like to return in your original package and secure with tape. If you don't have the original packaging, please pack your item(s) in a suitable alternative.
 2. Cut along the dotted line to separate the label from these instructions.
 3. Attach the label to the outside of the box so that the label is clearly visible. Remember—our return service is absolutely free of charge!
 4. Take the package to a convenient drop-off location for your chosen service. To find drop-off points near you, visit Nike.com/returns. Don't forget to ask for a receipt as proof of return, just in case. We've included one below if you need it.
 5. You're done! Once we've received your package we'll process your refund as soon as possible. Please note refund timelines can vary by payment method.
- If you have any questions regarding the return process please visit our Get Help section.
